Creative Programs

FIORO BEAUTY ACADEMY QUEEN ST

Created a hand on intensive textured hair course for the Graduating students in 2019. This course was developed with 10 clients & 30 students with different textures and lengths of Hair. The students watch demonstrations and videos. where able to ask questions then with supervision participated in hands on colouring, cutting and styling of multitextured hair types. Thus, giving these students an edge and the opportunity learn and experience the possibilities of broadening their scope when it comes to hairstyling and clientele.
